

# TRINITAS CHILDREN'S THERAPY SERVICES

## Spring 2018 Programs

- All programs are 45-minute sessions and are held once weekly.
- All programs run February 5<sup>th</sup> to May 18<sup>th</sup>.
- Our programs and group sessions are a great alternative to direct therapy services. They give children the opportunity to address key developmental areas in structured but busier environments, which is more reflective of typical real-life situations.

### SCRIBBLES TO SCRIPT

Children from preschool (prewriting) through elementary (cursive) school have the opportunity to use the *Handwriting Without Tears*® program to learn pre-writing skills, proper letter formation, and writing within the given lines. Multi-sensory fine motor, visual-motor, and visual-perceptual activities help to reinforce learning and make writing fun!

### SPORTS 1 STEP AT A TIME

Children between the ages of 4 & 12 have the opportunity to receive an introduction into several fall/winter sports, including soccer, basketball, football, bowling, and kickball, in a non-competitive group setting. Overseen by a PT.

### SOCIAL BUTTERFLIES

Children between the ages of 4 & 12 have the opportunity to become social butterflies by engaging in fun non-challenging tabletop and movement-based activities. The highly therapeutic classes will be overseen by a speech & language pathologist and/or an OT. Skills taught include turn taking, topic maintenance, appropriate question asking, following non-verbal cues, and using manners.

### TYPING WHIZKIDS

Children from 1<sup>st</sup> grade through middle school will participate in functional tasks that will allow them to learn efficient keyboarding/typing skills. From key location and finger placement, to speed and accuracy children will learn this valuable skill the correct way. Overseen by an OT.

Sign up for as many days or weeks as you would like. Sign up for a ½ day or a full day. Allow your child to participate in a camp directly organized and supervised by skilled clinicians in their respective fields. Camp Trinitas is run by OT's, PT's, speech therapists, and ABA clinicians, to address each child's specific needs.
